To

The Secretary to Government,
Education and Public Health Department, Madras.

Sir, Ref.No.55575-14-N/47 dated 7th January 1948.

Subject.- Building - Government Wellesley Tuberculosis Sanatorium, Bellary - leasing of a private building for members of the Nursing staff - sanction - requested.

Reference.- This office letter to the Government, Ref. No.5575/7-N dated 7th October 1947.

In paragraph 1 of this office letter read above, the Government have been informed that the District Medical Officer, Bellary, had taken on lease a suitable private building for accommodating 14 members of the Nursing Staff. This private building fell vacant from 21st September 1947. As there is dearth of private buildings and as the Rent Controller reported that the private building in question should be allotted within one week from the date of its falling vacant, the District Medical Officer was permitted to occupy it from 1st October 1947. The rent of the building is Rs.100/- per mensem.

2. At present only one Ward sister and two female Staff Nurses are working in the Government Wellesley Tuberculosis Sanatorium, Bellary.

p.t.o.

Government will shortly be addressed in regard to the posting of a Matron out of the approved list. For four members of the Nursing staff a private building can be leased for Rs.80/- per mensem (i.e. at the rate of Rs.20/- for each member). In as much as the building in question is intended to be occupied ultimately by the remaining members although there are now only three members and a fourth member will shortly be added and as it will be difficult to remove constantly from one building to another due to scarcity of accommodation, I request that the Government may kindly accord sanction for the leasing of the building on a monthly rental of Rs.100/- from 1st October 1947.

The Executive Engineer, Bellary Division, has furnished a certificate (herewith enclosed) that no suitable Government building is available for occupation by the members of the Nursing Staff. He has also stated that Rs.100/- per mensem is reasonable rent for the building. Early orders of the Government are requested.

Your obedient servant,

V. Ramamma

for Surgeon-General with the Govt. of Madras.

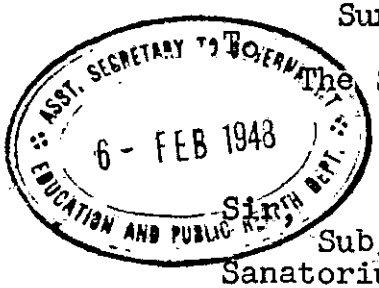
Surgeon-General with the Govt. of Madras, Madras 6.



To The Secretary to Government, Education and Public Health Department, Madras.

In.P.No. 22 N Dated 5-2-48.

Sir,

Subject:- Building - Government Wellesley Tuberculosis Sanatorium, Bellary - Leasing of a private building for members of the Nursing staff-

Reference:- G.O.No. 299, Public Health, dated 2-2-1948.

I have the honour to enclose herein a copy of letter No.*A4-2/48, dated 20-1-48 from the District Medical Officer, in charge Government Wellesley Tuberculosis Sanatorium, Bellary. Since writing this office letter Ref.No. 55575-14N dated 7-1-48, the employment of a Matron has been approved by the Government in their order No. 175, Public Health, dated 19-1-48. Three more staff nurses have been posted. So the total number of the nursing staff attached to the Sanatorium is seven.

A private building for the seven members of the nursing staff can be leased by me under the powers delegated in item 49 to Appendix 7 in the Madras Financial Code, Volume II, at a monthly rental of Rs. 140/- (i.e. at the rate of Rs. 20/- per mensem for each member). The revised rent now recommended by the District Medical Officer is only Rs.120/-

for seven members. As this amount is within the financial limit, sanction is being accorded by me to the leasing of the building in question on a monthly rental of Rs. 120/- . This is reported to the Government for their information.

Your obedient servant,

V. Ramanna
for Surgeon-General with the Govt. of Madras.

*Copy of letter.

The Executive Engineer, Bellary Divison in his certificate No. 108 of 7-12-47 recommended Rs. 100/- as reasonable rent for the building occupied as Nurses Quarters. Accordingly Rs. 100/- was recommended as rent per mensem. Now the Executive Engineer, Bellary Division, Bellary, has issued a revised certificate and in this the rent is recommended as Rs. 120/- per mensem. Hence I request you to kindly santion Rs. 120/- as house rent per mensem for the Nurses Quarters. The same is enclosed for reference. In this connection I invite your attention to this office letter No. 3162/47, dated 27-9-47 in which it is stated that this building can accommodate not less than 7 persons of the Nursing staff Nurse. Hence the rent may kindly be sanctioned.
